City Manager John Salomone
February 10, 2020

To: Mayor Peter A. Nystrom and Members of the Norwich City Council through City Manager John Salomone

Explanation of Resolution “Relative to placing in the suspense account certain real estate taxes”

Pursuant to Connecticut General Statutes §12-165, the Tax Collector must research each real estate tax account which she deems as not being collectable prior to presenting them to the City Council. There are different reasons for her to request that the tax account be transferred to the suspense tax book, including: mobile home abandoned and owner deceased or cannot be located, mobile home was removed without consent, property is contaminated, title issues, etc.

The properties presented in the resolution for your consideration at the February 18, 2020 meeting are ones that the City of Norwich does NOT wish to acquire, either by tax sale or foreclosure and to date all attempts to collect the taxes have been unsuccessful.

To consider these accounts as assets when it is believed that they will never be recouped does not help the City get an accurate picture of its finances. However, it is important to remember that while these real estate taxes are not deemed collectable, they are collectable and payment of the taxes would be accepted until the end of the 15 year collection period is over.
