City Manager Report:

To: Mayor Nystrom and members of the City Council
From: John Salomone, City Manager
Subject: City Manager’s Report
Date: August 6, 2018

I attended the monthly Harbor Management Meeting, School Facility and Southeastern Council of Governments (SECOG) meetings. I had my monthly meetings with Department Heads, Fire Chiefs and Bob Mills of NDCD. Mr. Mills will be submitting a quarterly report along with staff reports starting with the quarter ending September 30th. Union negotiations were also held for Public Works.

I have had discussions with Brigid Marks, Human Resources Director, regarding updating the job description for the Fire Chief. I have decided to post the job both internally and externally and will be talking to the four Battalion Chiefs regarding the upcoming transition. The position will be posted in the next two weeks and each Battalion Chief will be acting Chief for approximately a two week period. The position announcement will close in mid to late September followed by preliminary screening and final interviews in early to mid-October. Depending on whether we select an internal or external candidate, the new Chief will begin around the beginning of November.

The development agreement for 347 Central Ave has been fully executed. The City purchased the lot at 226-230 Yantic Street which will be used for the Uncas Leap project and title to the Reid & Hughes building has been transferred from the City to the Women’s Institute.

The Ellis Ruley Memorial Park located at 28 Hammond Ave. was dedicated on July 27th. Mr. Ruley was an African-American folk artist who lived at the property before his untimely death. Congratulations to the committee, and thank you to those that contributed funds, items and services or donated their time in completing this project. Their perseverance has paid off.

The City's first Peruvian Street Festival was held on July 29th on Franklin Street. This event was part of the grant funded *Global City Norwich Program* which is funded with \$100,000 from Chelsea Groton Bank and \$25,000 from the City. Hundreds of visitors filled the street along with numerous vendors and entertainment.

The Norwich Winterfest Committee has turned over the parade to the Norwich Events Organization, Inc. The Winterfest Parade has been in existence for over 30 years and it is a wonderful community tradition. It will be held on Saturday, December 1st this year.

The City's Lock Box tax payments for the month of July were 4,030 payments totaling \$8,145,512.72. Payments at Norwich People's Bank branches during July were 905 payments totaling \$1,012,824.49. This produced shorter lines at the Tax Office and allowed the City to invest 9 million dollars more quickly.

Congratulations to the Occum and East Great Plains Fire Departments on their 75th Anniversary celebrations and to Rita Frechette who celebrated her 100th birthday on July 30th. Rita was the director of City's Emergency Management for many years.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NORWICH:

Section 1. The sum of \$2,700,000 is appropriated for the City of Norwich’s (the “City”) share of costs relating to the purchase and installation of a replacement radio system for the City’s public safety departments and all warranties and licensing fees related thereto and such additional related improvements and equipment as may be accomplished within said appropriation, including, but not limited to, console and infrastructure equipment, infrastructure site preparation, and relocation and integration services (collectively, “Equipment”), and for all administrative, consulting, advertising, printing, legal and financing costs to the extent paid therefrom. Said appropriation shall be inclusive of all state and federal grants in aide hereof and shall be in addition to all prior and future appropriations for said purpose.

Section 2. The total estimated cost of the Equipment is \$2,700,000. Other than the sale value, trade-in value, or scrap value of all items being replaced pursuant to this appropriation and bond ordinance, no portion of the Equipment cost is expected to be paid from sources other than the proposed bond and note

financings. The estimated useful life of the Equipment is twenty (20) years. The Equipment is a general benefit to the City and its general governmental purposes.

Section 3. To meet said appropriation \$2,700,000 bonds of the City, or so much thereof as may be necessary for said purpose, may be issued, maturing not later than the twentieth (20th) year after their date, or such later date as may be allowed by law. Said bonds may be issued in one or more series as shall be determined by the City Manager and the Comptroller, and the amount of bonds of each series to be issued shall be fixed by the City Manager and the Comptroller, provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof and to pay for the administrative, printing and legal costs of issuing the bonds. The bonds shall be in the denomination of \$1,000 or a whole multiple thereof, be issued in bearer form or in fully registered form, be executed in the name and on behalf of the City by the manual or facsimile signatures of the City Manager and the Comptroller, bear the City seal or a facsimile thereof, be certified by a bank or trust company designated by the City Manager and the Comptroller, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company designated by the City Manager and the Comptroller, and be approved as to their legality by Pullman & Comley, LLC, Bond Counsel. If sold at competitive offering, the bonds shall be sold upon sealed proposals, auction or similar process, at not less than par and accrued interest on the basis of the lowest net or true interest cost to the City.

The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a cost of the Equipment. Upon the sale of said bonds the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such temporary borrowings then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 7. Resolution of Official Intent to Reimburse Expenditures with Borrowings. The City (the "Issuer") hereby expresses its official intent pursuant to §1.150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and after the date of passage of this ordinance in the maximum amount and for the capital project defined in Section 1 with the proceeds of bonds, notes, or other obligations ("Bonds") authorized to be issued by the Issuer. The Issuer hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Comptroller or his designee is authorized to pay project expenses in accordance herewith pending the issuance of reimbursement bonds, and to amend this declaration.

Section 11. The City Manager and Comptroller are hereby authorized to prepare and distribute preliminary and final Official Statements of the City, to execute and deliver on behalf of the City all such other documents, and to take all action, necessary and proper for the sale, issuance and delivery of any

**AN ORDINANCE REGARDING ADDITIONAL FISCAL YEAR 2017-18
APPROPRIATIONS FOR THE GENERAL FUND, TOWN CONSOLIDATION
DISTRICT, AND CITY CONSOLIDATION DISTRICT**

WHEREAS, Norwich Public Schools expended approximately \$1,100,000 in excess of its fiscal year 2017-18 General Fund appropriation as a result of higher than anticipated special education tuition and transportation costs; and

WHEREAS, \$517,000 of the \$1,100,000 overage was offset by transfers of unexpended appropriations from other General Fund departments— leaving a net spending deficit of \$583,000; and

WHEREAS, the City Consolidation District’s (“CCD”) overtime and replacement costs for fiscal year 2017-18 are \$144,000 higher than anticipated compared to the adopted 2017-18 budget for the CCD; and

WHEREAS, the Town Consolidation District (“TCD”) cost of property tax credits for volunteer firefighters for fiscal year 2017-18 are \$3,000 higher than anticipated compared to the adopted 2017-18 budget for the TCD; and

WHEREAS, the General Fund and CCD have adequate levels of unrestricted fund balance (“UFB”) to absorb the impact of the budget variances described above; and

WHEREAS, the TCD will have a fund deficit of approximately \$29,000 resulting primarily from the shortfall in State of Connecticut reimbursement for the cap on motor vehicle taxes.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NORWICH THAT the fiscal year 2017-18 appropriations for the General Fund, CCD, and TCD be, and hereby are, increased by the sums of \$583,000, \$144,000, and \$3,000, respectively, for the reasons set forth above.

BE IT FURTHER ORDAINED BY THE COUNCIL OF THE CITY OF NORWICH THAT if, during the fiscal year 2019-20 budget development process, the Town Consolidation District fund is projected to be in a deficit position at the end of fiscal year 2018-19, then an additional amount will be included in the 2019-20 tax levy for the Town Consolidation District to restore such deficit.

Upon motion of Ald. Gould, seconded by Ald. Burnham, it was unanimously voted to adjourn at 8:30 P.M.
