Norwich Youth Action Council

The young people on the Norwich Youth Action Council are self motivated community activists interested in

making a difference in the town they live in. They are referred by teachers, guidance counselors, pastors and parents. Some are graduates of the Teen Leadership training at TRCC, some are involved with NFA's Project Outreach, Hogie's Heros at Norwich Tech, or the Empty Bowls project at Thames Academy. But they are all interested in testing their skills, learning to advocate for themselves and their community, and executing youth driven projects in Norwich.

Family Fun Night

Held quarterly at the Senior Center in Norwich, Family Fun Night was originally conceived as a "no fuss" night for parents and kids to bond and connect over games and crafts. A night to **NOT** have to worry about dinner, be free of television, and to just have fun! Pizza, crafts, games, and (sometimes) Zumba...experience a carefree evening of play.

Fund Raisers

- **Flocking Flamingos for Summer Fun:**

30 flamingos in your yard...you pay us money...they go away...a fun spring fund raiser to make \$\$\$ for summer programs for needy kids!

- **Pancake Breakfast and Community Auction**

Life is better with pancakes! Whether they are raising money for the Senior "Golden Wishes" program or youth programming, the NYAC kids get the job done! This will put a smile on your face and make your tummy happy!

Craft Night at TRFP

Take crafty kids and positive role models...pair them with the special kids at Thames River Family Program and you have a match made in heaven!

And this is just a sample of the NYAC activities!!!
