

## GOLDEN NUGGETS GLEE CLUB

is looking for some new members. If you or someone you know might be interested, please see Dana or Mike and let them know. Currently there are about 8 strongly committed members and the Director would like to see that grow to 20. If we do not fulfill these spots, our glee club may be something of the past. Please consider our request.

# TRIAD PROGRAM

Tentatively Scheduled for

**March 30<sup>th</sup>  
at 10am**

We will have a Representative here from American Ambulance to discuss what you should expect if you have an emergency at your home.

Incorporated with that, we will have the File of Life available and also the Beacon Light program, which is a bulb that fits into any lamp. When you turn the lamp on once it is a normal light, but twice and it becomes a flashing beacon. This makes it easier to identify the home to which the emergency exists.
