

- e) sand pro, pump showing age and lacks power
 - f) tractor, over 20 years old
- 2) The equipment can be kept going but the cost of repairs and the down time makes this inadvisable.
- 3) Propose purchasing:
- a) 2 Workman (heavy trucks)
 - b) Sand pro
 - c) Reelmaster (4 wheel drive unit to cut hills)
 - d) Greenmaster 3050 (performs top cuts)
 - e) Topdresser

This list replaces only key equipment that is used every day. A list of requirements, needs, and wants will be put together for the Finance Committee to review before the next NGCA meeting.
