Important Information About Your Membership

If you decide to contribute:

The City of Norwich Volunteer Firefighters Relief Fund requires that you make contributions in order to receive credit in calculating your benefits and determining eligibility for benefits under this Plan. Once you have completed 12 months of continuous Volunteer service, you are eligible to join on the following January 1.

You must elect to contribute to the Plan for each year for which you receive credit for benefits.

If you decide not to contribute:

If you do not wish to contribute to the Plan at this time, you may do so in the future. To begin contributing and earning service, submit an Application for Membership effective for any future January 1.

If you are eligible to contribute, but elect not to do so, you may later join the Plan. In this case, you may not buy back any service for periods when you elected not to contribute.
