

CITY OF NORWICH, CONNECTICUT
WATER POLLUTION CONTROL FACILITY UPGRADE
ULTRAVIOLET DISINFECTION EQUIPMENT
CWF-625

INVITATION TO BID
7295

Sealed Bids for the Ultraviolet Disinfection Equipment to be supplied under the City of Norwich, Connecticut Water Pollution Control Facility Upgrade, will be received by the Office of the Purchasing Agent at City Hall, 100 Broadway, Norwich, Connecticut 06360 until 2:00 PM, September 28, 2011 and at that time and place bids will be publicly opened and read aloud.

The City will select an equipment manufacturer to provide vertically-oriented ultraviolet disinfection equipment as part of a construction project for improvements at the Norwich Water Pollution Control Facility. The selected ultraviolet disinfection equipment will be included in the design and named in the final bid documents for the Water Pollution Control Facility Upgrade. The construction contractor will be required to use the selected equipment as a sole source at the fixed price in the bid documents. The successful bidder shall be required to deliver the specified equipment for the prices quoted in this bid.

Contract Documents may be examined and/or obtained at the office of Camp Dresser & McKee Inc., 100 Great Meadow Road, Suite 104, Wethersfield, CT 06109.

Bidders may not withdraw their Bids for a period of ninety days after the actual date of the opening of the Bids.

Complete instructions for filing Bids are included in the Instructions to Bidders.

The Owner reserves the right, in its absolute and sole discretion, to waive any informality in or to reject any or all Bids if deemed to be in its best interest.
